

Alexandra L. Quittner

Curriculum Vitae

Personal Information

Personal Data:

Birthdate: February 2, 1954
Citizenship: United States
Canada (Landed Immigrant)

Office Address:

Department of Psychology
University of Miami
5665 Ponce de Leon Blvd.
Coral Gables, FL 33146-2070
Phone: (305)-284-6932
Fax: (305)-284-4795
Email: aquittner@miami.edu

Home Address:

12930 Deva St.
Coral Gables, FL 33156

Higher Education

Doctorate of Philosophy

September 1987

University of Western Ontario, London, Ontario, Canada

APA Accredited Program: Clinical Psychology

Master of Arts

August 1980

Florida State University, Tallahassee, Florida

Psychology and Music Therapy

Bachelor of Arts

May 1977

North Carolina School of the Arts, Winston-Salem, North Carolina

Music

Academic & Research Experience

- 2007 - **Director**, Child Division, Department of Psychology, University of Miami, Coral Gables, Florida
- 2005 - **Professor**, Department of Pediatrics and Otolaryngology, Head & Neck Surgery, University of Miami School of Medicine, Miami, Florida
- 2003 - **Professor**, Department of Psychology, University of Miami, Coral Gables, Florida.
- 2001 - **Professor of Pediatrics**, Department of Pediatrics, University of Florida School of Medicine
- 1998 - **Professor**, Department of Clinical & Health Psychology, University of Florida, Gainesville, Florida
- 1994 - 98 **Associate Professor**, Clinical Science Program, Department of Psychology, Indiana University, Bloomington, Indiana.
- 1988 - 94 **Assistant Professor**, Clinical Science Program, Department of Psychology, Indiana University, Bloomington, Indiana.
- 1989 - 98 **Adjunct Associate Professor of Otolaryngology**, Head and Neck Surgery, Indiana University School of Medicine, Indianapolis, Indiana.
- 1989 - 98 **Adjunct Associate Professor of Clinical Psychology**, Department of Psychiatry, Indiana University School of Medicine, Indianapolis, Indiana.
- 1987 - 88 **Post doctoral Research Fellow**, Ontario Ministry of Health, Department of Pediatrics, University of Western Ontario, and Department of Psychology, Children's Hospital of Western Ontario.

Licensure

Licensed as a psychologist in the State of Florida, #PY 6124
Licensed as a psychologist in the State of Indiana, 200404002A

Honors & Awards

1985 - 87	Social Sciences and Humanities Research Council of Canada Doctoral Fellowship
1987 - 88	Ontario Ministry of Health Postdoctoral Research Fellowship
1982	Phi Kappa Phi Honors Society
1984 - 85	Ontario Graduate Scholarship
1987 - 89	Summer Faculty Fellowship, Indiana University
1990	Instructional Development Award, Indiana University
1991 - 96	FIRST Award, National Institutes of Health, NHLBI, Bethesda, MD
1995 - 99	Research Career Development Award, National Institutes of Health
1996	International Travel Grant, Indiana University, for invited presentation in Israel
2000	Director, Pediatric Psychology Postdoctoral Training Program funded by NICHD
2001	Distinguished Research Award, Division 54, American Psychological Association
2002 - 05	Elected Member at Large, Division 54, American Psychological Association
2008	Dr. Richard C. Talamo Clinical Research Award, Cystic Fibrosis Foundation (Lifetime Achievement Award)
2009 - 12	Richard L. Cooper Fellow Award, College of Arts & Sciences, University of Miami

Selected Clinical Experience

1990 - 93	Psychologist , Stress Care Unit, Bloomington Hospital Treatment Program for Eating Disorders, Bloomington, Indiana.
1987 - 88	Consultant , Department of Psychology, Children's Hospital of Western Ontario, London, Ontario, Canada.
1986 - 87	Clinical Intern (APA Approved Internship), Department of Psychology, Children's Hospital of Western Ontario, London, Ontario, Canada.

Professional Affiliations

American Psychological Association
Member at Large, Division 54 of the American Psychological Association
Society for Research in Child Development
Society of Behavioral Medicine

Professional Activities

Member	North American Scientific Advisory Group, 2005-ongoing
Member	Consensus Conference for the European Cystic Fibrosis Society, 2006-2008
Member	FDA Panel on Development and Application of Patient-Reported Outcomes, 2005-2008
Member	Advisory Panel on Increasing Diversity in Advanced Mental Health Research & Leadership
Member	NIH Panel on Research Initiatives in Pediatric Urology, 2005

Member	Program Committee for the North American Cystic Fibrosis Conference (2000 to 2010)
Member	Program Planning Committee for Behavioral Science, American Thoracic Society (2005-2007)
Member	NICHHD Network on Psychosexual Differentiation, 2003-2006
Conference Co-Chair	Florida Conference on Child Health Psychology, Divisions 54 and 38, American Psychological Association, 1999 (Gainesville, Florida)
Conference Co-Chair	Florida Conference on Child Health Psychology, Divisions 54 and 38, American Psychological Association, 2001 (Gainesville, Florida)
Conference Co-Chair	Society of Pediatric Psychology National Child Health Conference, Division 54 and 38, American Psychological Association, 2004 (Charleston, South Carolina)
Conference Co-Chair	Society of Pediatric National Child Health Conference, Division 54 and 38, American Psychological Association, 2008 (Miami, FL)
Associate Editor	<i>Health Psychology</i> , 2005-2010
Editorial Board	<i>Journal of Pediatric Psychology</i>
Guest Editor	<i>Health Psychology</i> , Special Issue on Caregiving, 1998
Ad hoc reviewer	<i>Journal of Personality and Social Psychology</i> <i>Journal of Consulting and Clinical Psychology</i> <i>Journal of Pediatrics</i> <i>Social Development</i> <i>Journal of Clinical Child Psychology</i> <i>Journal of Abnormal Child Psychology</i> <i>Journal of Social and Personal Relationships</i> <i>Ear and Hearing</i> <i>Quality of Life Research</i> <i>Pediatrics</i> <i>Chest</i> <i>Thorax</i> <i>American Journal of Critical Care and Respiratory Medicine</i> <i>Pediatric Pulmonology</i>
Grant Panels	
<i>Member</i>	NIH Review Panel ZRG1-SSS-C, Predoctoral Fellowships for Minority and Disability Applicants, 2002 - 2008
<i>Member</i>	Communication Disorders Review Committee, National Institutes of Health, 1997 - 2001
<i>ad-hoc reviewer</i>	Behavioral Medicine Study Section, National Institutes of Health
<i>ad-hoc reviewer</i>	The Ontario Mental Health Foundation, Ontario, Canada
<i>ad-hoc reviewer</i>	The Ministry of Health, Ontario, Canada
<i>ad-hoc reviewer</i>	Canadian Cystic Fibrosis Foundation
<i>ad-hoc reviewer</i>	Cystic Fibrosis Foundation
<i>ad-hoc reviewer</i>	March of Dimes Birth Defects Foundation

Research Grants Awarded

1986 - 88	March of Dimes Birth Defects Foundation, White Plains, NY: <i>Moderating stress in mothers of children with seizure disorders: The effects of social support and personality variables</i> (no. 12 174). Awarded \$40,000; March, 1986 to March, 1988 (with D.N. Jackson, Co-Investigator).
-----------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

- 1986 - 88 Ontario Mental Health Foundation, Toronto, Ontario, Canada: *The effects of social support and personality variables on maternal adaptation to a hearing impaired child* (no. 949 86 88). Awarded \$26,000 (direct costs); April, 1986 to March, 1988 (with R.L. Glueckauf, Co-Investigator).
- 1986 - 87 Center for Communicative and Cognitive Disabilities, London, Canada: *Maternal adaptation to a hearing impaired child*. Awarded \$3,000 (direct costs); September, 1986 to March, 1987.
- 1988 - 90 March of Dimes Birth Defects Foundation, White Plains, NY: *A model of parental adaptation to a chronically ill child* (no. 12 174). Awarded \$40,000; March, 1988 to August, 1990.
- 1988 - 89 Biomedical Research Support Grant, Division of Research Resources, National Institutes of Health: *Parenting a chronically ill child: A prospective study of family adjustment to cystic fibrosis* (PHS #S07 RR703IL). Awarded \$10,000 (direct costs); November, 1988 to December, 1989.
- 1990 - 93 March of Dimes Birth Defects Foundation, White Plains, NY: *Coping with cystic fibrosis: The longitudinal impact of role strain and activities on marital adjustment* (No. 12 226). Awarded \$40,000; March, 1990 to March, 1993 (with H. Eigen, Co-Investigator).
- 1991 - 97 FIRST Award, National Institutes of Health, National Heart, Lung, and Blood Institute, Division of Lung Diseases, Bethesda, MD: *A contextual model of family coping with cystic fibrosis* (R29 HL47064). Awarded \$500,000; August, 1991 to July, 1996.
- 1992 - 93 Intercampus Research Grant, Indiana University: *The development of attention in deaf children*. Awarded \$4,590; April, 1992 to August, 1993 (with L. Smith, Co-Investigator).
- 1993 - 94 Biomedical Research Support, Division of Research, National Institutes of Health: *The longitudinal effects of auditory input on the visual attention of deaf children* (PHS #RR 7031-27). Awarded \$4,500; May, 1993 to April, 1994.
- 1995 - 99 Research Career Development Award, National Institutes of Health: *Family coping with childhood illness: A contextual model* (PHS #K04 HL02892). Awarded \$421,000; January, 1995 to December, 1999.
- 1996 - 02 R01 Research Grant, National Institutes of Health: *Behavioral treatment of weight gain in cystic fibrosis* (PHS R01 #DK50092). Awarded \$1,200,000 (direct costs); June, 1996 to May, 2002 (with L. Stark, Principal Investigator).
- 1997 - 00 R01 Minority Supplement Grant, National Institutes of Health (PHS R01 #DK50092). Awarded \$90,925 (direct costs); January, 1997 to December, 2000 (Awarded to Elissa Jones, supervised by A. Quittner).
- 1997 - 02 Clinical Research Grant, Cystic Fibrosis Foundation: *Controlled evaluation of family interventions for adolescents with cystic fibrosis*. Awarded \$150,000 (direct costs); April, 1997 to August, 2002.
- 1997 - 03 R01 Research Grant, National Institutes of Health: *Controlled trial of family interventions for cystic fibrosis* (R01 #HL47064). Awarded \$1,800,000 (direct costs); October, 1997 to September, 2003 (with D. Drotar, Co-Investigator).
- 1999 - 04 Clinical Research Grant, Cystic Fibrosis Foundation: *Airway secretion clearance in cystic fibrosis*. Awarded \$210,000; January, 1999 to June, 2004 (with F. Accurso, Principal Investigator).
- 1999 - 05 Clinical Research Grant, Cystic Fibrosis Foundation: *Validation of a disease-specific quality of life questionnaire for cystic fibrosis*. Awarded \$200,000; May, 1999 to June, 2005.

- 2000 - 01 Training Grant, National Institutes of Health: *Training in Treatment Outcome Research for Children*. Pre and postdoctoral Training Program. Competitive renewal submitted May 10, 2002; requested \$888,046, June, 2003 to April, 2008.
- 2000 - 02 Research Grant, Children's Miracle Network: *Evaluating and Treating Adherence Problems in Adolescents Before and After Heart or Lung Transplantation*. Awarded \$25,000; June, 2000 to June, 2002.
- 2000 - 02 Clinical Research Grant, Cystic Fibrosis Foundation: *Multicenter, Randomized, Placebo-Controlled Double-Blinded Trial of Azithromycin in Patients with Cystic Fibrosis*. Awarded \$26,643 (total costs); November, 2000 to December, 2003.
- 2001 - 01 Clinical Research Grant, Cystic Fibrosis Foundation: *Controlled Evaluation of a Starbright CD-Rom program for Cystic Fibrosis*. Awarded \$11,600 (total costs); January, 2001 to December, 2001 (with M. Davis, Co-Investigator).
- 2001 - 03 F31 Predoctoral NRSA, National Institutes of Health: *Adherence in Children with Asthma and Cystic Fibrosis* (F31 HS11768) February, 2001 to August, 2004. (awarded to Avani Modi; supervised by A.L. Quittner).
- 2000 - 07 Clinical Research Grant, Cystic Fibrosis Foundation: *Translation and Linguistic Validation of the Cystic Fibrosis Questionnaire (CFQ) for Spanish-speaking Individuals*. Awarded \$7,750 (total cost), April, 1999 to June, 2008.
- 2001 - 07 R01 Research Grant, National Institutes of Health: *Clinic-Based Adherence Intervention for Diabetes and Cystic Fibrosis* (R01 #HL 69736). Awarded \$2,600,000 (total costs), October, 2001 to September, 2007 (with S. Johnson, Principal Investigator).
- 2002 - 07 R01 Research Grant, National Institutes of Health: *Childhood Development after Cochlear Implantation* (R01 DC04797). Awarded \$9,118,008 (total costs); subcontract total costs to Quittner (\$1,004,753), May, 2002 to April, 2007 (with J. Niparko, Principal Investigator).
- 2003 - 08 T32 Training Grant, National Institutes of Health: *Training in Treatment Outcome Research for Child Populations*. Awarded \$780,000; May, 2003 to April, 2008. Program Director for training grants funding pre and postdoctoral research fellows.
- 2004 - 08 Clinical Research Grant, Cystic Fibrosis Foundation: *Quality of Life Assessment in CF after Lung Transplantation* (Co-Investigator). Awarded \$486,000 (total costs) April, 2004 to March, 2008.
- 2005 - 10 T32 Training Grant (Director), National Institutes of Health (HD007473). Awarded \$1,460,405 (total costs), May, 2005 to April, 2010.
- 2006 - 08 Clinical Research Grant, Cystic Fibrosis Foundation: *Depression and Anxiety in Patients with Cystic Fibrosis and Parent Caregivers: A National Screening Study*. Awarded \$78,000 (total costs). January, 2006 to March, 2008 (Principal Investigator with Michael Schechter).
- 2007 - 11 Clinical Research Grant, Cystic Fibrosis Foundation: *Prevalence and Impact of Depression and Anxiety on CF Patients and Caregivers*. Awarded \$432,000 (total costs) March, 2007 to February, 2012; (Principal Investigator with Michael Schechter).
- 2007 - 12 Research Grant, National Institutes of Health: *Childhood Development after Cochlear Implantation* (R01 DC04797). Awarded \$10,500,000 (total costs); subcontract total costs to Quittner (\$1,004,753); August, 2007 to July, 2013 (with J. Niparko, Principal Investigator).

- 2007 - 10 R01 Minority Supplement Grant, National Institutes of Health (PHS R01 #DC04797). Awarded \$90,925 (direct costs); November, 2007 to October, 2010 (Awarded to Ivette Cruz, supervised by A. Quittner).
- 2008 - 09 Unrestricted Educational Grant (#2185046): *Encouraging pill swallowing in young children with cystic fibrosis*. Awarded \$2000 (direct costs); Solvay Pharmaceuticals, Inc. (with K. Marciel, PI).
- 2008 - 11 R01 HD053637 Research Grant, National Institutes of Health: *Quality of life in intersexuality: Development of a clinical and research tool*. Awarded \$502,294 (total costs), June, 2008 to May, 2012 (with D. Sandberg, PI).
- 2008 - 12 Investigator-Initiated Grant, Health Economics & Outcomes Group, Novartis Pharmaceuticals: *Controlled Trial of Two Adherence Promotion Interventions for Cystic Fibrosis* (PI). Awarded \$2,000,000 (total costs), September, 2008 to September, 2013.
- 2009 - 12 R44 (SBIR Phase 2), National Institutes of Health: *CFFONE: A Cell Phone Support Program for Adolescents with Cystic Fibrosis*. Awarded \$1,151,196 (total costs), May, 2010 to April, 2013 (with Kevin Dawkins, PI).

Pending Grants

- 2011 - 12 McColley, S. and Quittner, A.L. *Maternal symptoms after infant CF diagnosis*. Clinical Research Feasibility Grant, Cystic Fibrosis Foundation.
- 2011 - 16 T32 Training Grant (Director), National Institutes of Health (HD007473). Competitive renewal May, 2011 to April, 2016.

COLLOQUIA AND INVITED PRESENTATIONS:

Colloquia & Invited Presentations

"Adherence to Treatment Regimens in Adolescents: A Case of Extreme Complexity." Pediatric Grand Rounds, Dartmouth University School of Medicine, November, 2010.

"Prevalence of Anxiety and Depression in Patients with CF and their Caregivers." Symposium conducted at the 24th North American Cystic Fibrosis Conference, Baltimore, MD, October, 2010.

"Finding the Balance in Managing a Chronic Disease." Invited presentation for the 30th Kit Taylor Memorial Lecture. Rochester University School of Medicine, April 13, 2010.

"Adherence to the Cystic Fibrosis Treatment Regimen: A Case of Extreme Complexity." Grand Rounds, Rochester University School of Medicine, April 14, 2010.

"Use of Patient-Reported Outcomes in Clinical Trials." Invited plenary presentation, Killarney Respiratory Conference, Killarney, Ireland, February, 2010.

"Quality of Life and Symptom Outcome Measures." Invited presentation, 10th Killarney National Cystic Fibrosis Meeting. Killarney, Ireland, February 5, 2010.

"Does the patient know best? Utilizing patient-reported outcomes." Invited presentation, Endpoints for Clinical Trials in Cystic Fibrosis: Patients know best? Prague, Czech Republic, June 12, 2008.

- “Adherence to inhaled antibiotics.” Invited presentation to the European Consensus Meeting on Inhaled Antibiotics, European Cystic Fibrosis Society, Artimino, Italy, April, 2008.
- “Solving the Adherence Puzzle: Interventions to Improve Adherence in Children & Adolescents with CF.” Invited presentation, CF Family Education Day, Dell Children’s Medical Center of Central Texas Cystic Fibrosis Center, Austin, TX, April 26, 2008.
- “Patient-Reported Outcomes: Do Patients Know Best?” Invited presentation to the European Cystic Fibrosis Meeting, Prague, Czech Republic, June 2008.
- “Designing psychological studies.” Invited presentation to the XII Italian Cystic Fibrosis Congress, Milan, Italy, December 2, 2007.
- “Utilizing patient-reported outcomes in clinical trials for patients with cystic fibrosis.” Invited workshop for the XII Italian Cystic Fibrosis Congress, Milan, Italy, December 2, 2007.
- “Improving adherence to medical regimens in children and adolescents with cystic fibrosis.” Invited presentation, Department of Pediatrics, Johns Hopkins University, November, 2007.
- “Depression in Cystic Fibrosis.” Invited presentation to the Department of Pediatrics, University of Pennsylvania School of Medicine, November 30, 2006.
- “The Development and Utility of the Cystic Fibrosis Questionnaire.” Invited presentation, Pediatric Pulmonology, University of Pennsylvania School of Medicine, November 30, 2006.
- “Development of an Instrument to Identify Pulmonary Exacerbations.” Invited presentation, Workshop on Pulmonary Exacerbations in Cystic Fibrosis, Cystic Fibrosis Foundation, Bethesda, Maryland, September 18, 2006.
- “Interventions to Improve Compliance and Quality of Life in Adolescents with Cystic Fibrosis.” Grand Rounds, University of Wisconsin Department of Pediatrics, Madison, Wisconsin, May 10, 2006.
- “Utilizing Patient-Reported Outcomes in Clinical Trials: Development of the Cystic Fibrosis Questionnaire-Revised.” Invited presentation to the Therapeutics Development Network of the Cystic Fibrosis Foundation, Seattle, April 18, 2006.
- “Family Interventions to Improve Adherence in Children and Adolescents with Cystic Fibrosis.” Invited presentation, CF Family Education Day, Emory University, Atlanta, February 8, 2006.
- “Controlled Trial of Family Interventions for Medical Adherence.” Invited Colloquium for the NYU Child Study Center, New York City, NY, January 20, 2006.
- “Comparisons of joint attention and symbolic play in deaf and hearing toddlers: Utilizing videotaped interactions to measure rate of change.” Invited presentation to the Society of Research in Child Development, Atlanta, April 6-9, 2005.
- “Utilizing Health-Related Quality of Life Measures in Clinical Trials.” Invited presentation to the Williamsburg Basic Science Conference on Cystic Fibrosis, Williamsburg, Virginia, June 3-7, 2005.
- “Measuring Quality of Life in Patients with Cystic Fibrosis.” Invited presentation to the Pediatric Pulmonary Consortium in Brazil, Sao Paulo, Brazil (July 2003).
- “Childhood Development after Cochlear Implantation: A Longitudinal Study.” Colloquium presentation, Department of Clinical and Health Psychology, University of Florida, Gainesville, Florida (July, 2003).

- “Cognitive, Social, and Behavioral Development of Young, Deaf Children.” Colloquium presentation, Children’s Hospital of Cincinnati, Cincinnati, Ohio (February, 2003).
- “A Contextual Approach to Studying Children’s Health Behaviors and Development.” Colloquium presentation, Department of Psychology, University of Miami, Coral Gables, Florida (January 2003).
- “Behavioral Family Systems Therapy for Adolescents with Cystic Fibrosis.” Workshop for Department of Psychology, Children’s Hospital of Cincinnati, Cincinnati, Ohio (October 2002).
- “The Challenges of Increasing Adherence to Complex Medical Regimens: Preliminary Results of a Trial Adolescents with Cystic Fibrosis.” Colloquium presentation at Emory University Child and Adolescent Psychiatry Grand Rounds, Atlanta, Georgia (October, 2002).
- “The Challenges of Increasing Compliance in Patients with Cystic Fibrosis.” Invited symposium presentation at the European Cystic Fibrosis Meeting, Genoa, Italy (June 2002).
- “Behavioral Family Systems Therapy for Adolescents with Chronic Illnesses.” Invited presentation to the Practical Pediatric Psychology Conference, Orlando, FL (October, 2001)
- “Family Adaptation to Childhood Chronic Illness: Dynamic of Marital and Sibling Relationships.” Invited presentation to the Practical Pediatric Psychology Conference, Orlando, FL (October, 2001).
- “The Power of Context in Pediatric Psychology Research.” Invited presentation as recipient of the Division 54 Research Award, American Psychological Association Annual meeting, San Francisco, CA (August, 2001).
- “Using the Cochrane Systematic Review to Evaluate Psychological Interventions for cystic fibrosis.” Invited Presentation to the European Cystic Fibrosis Meeting, Vienna (June, 2001).
- “Quality of Life Research in cystic fibrosis.” Invited Presentation to the European Cystic Fibrosis Meeting, Vienna (June, 2001).
- “Development of the Cystic Fibrosis Questionnaire: Psychometric results and new applications.” Invited presentation to the Nurses Advisory Council of the Cystic Fibrosis Foundation, New York (September, 2000).
- “Development of a Health-Related Quality of Life Measure for Cystic Fibrosis.” Invited presentation at the Annual Canadian Cystic Fibrosis Conference, Victoria, Canada (May, 2000)
- “Measuring and modifying adherence behaviors in patients with cystic fibrosis.” Invited presentation at the University of Melbourne, (August, 1999).
- “The challenges of measuring and changing adherence behaviors: Preliminary results of an intervention trial.” Invited presentation at the 4th annual Australian Cystic Fibrosis Conference, (August, 1999).
- “Challenges of increasing adherence to medical treatments for cystic fibrosis: A U.S. perspective.” Invited presentation at the 4th annual Australian Cystic Fibrosis Conference, (August, 1999).
- “Challenges in measurement for the new millenium.” Invited presentation at the Florida Child Health Conference, Gainesville, Florida (April 1999).
- “The challenges of increasing adherence to treatment in adolescents with cystic fibrosis.” Invited presentation at conference on adherence issues sponsored by the Genentech Research Foundation, Cleveland, Ohio (October 1998).

- "Developing new methods and measures for child clinical and pediatric psychology." Invited presentation at the Great Lakes Regional Child Health Conference, Louisville, Kentucky (May 1998).
- "Applications of stress and coping theory to chronic illness: Measures of context and process." Colloquium presented at the Department of Psychology, University of Toronto and Hospital for Sick Children (May 1998).
- "Re-thinking stress and coping research: Emphasizing context and process." Colloquium presented at the Department of Clinical and Health Psychology, University of Florida (February 1998).
- "Coping with bereavement issues in the classroom," 34th Annual Paul Munger Summer Conference, Department of Educational Psychology, Indiana University (June 1997)
- "Identifying sources of parent-teen conflict and targets for intervention," invited paper presented at the 12th International Cystic Fibrosis Congress, Jerusalem, Israel (June 1996).
- "Parental differential treatment of siblings," Ninth Annual North American Cystic Fibrosis Conference, Dallas, Texas (October 1995).
- "Parenting stress and childhood illness: Stressors that emerge in the context of daily life," invited lecture for Women's History Month, Indiana University (March 1995).
- "Dating, sexuality, and relationship issues: Identifying specific problems and effective coping strategies," Seventh Annual North American Cystic Fibrosis Conference, Dallas, Texas (October 1993).
- "Behavioral and cognitive predictors of performance with a cochlear implant," 1993 Conference on Implantable Auditory Prostheses, Smithfield, Rhode Island (July 1993).
- "Applying a competency-based model of coping to adolescent problem situations," Department of Psychiatry, University of Oklahoma Health Sciences Center, Oklahoma City (May 1993).
- "Testing a model of family adaptation during the diagnosis phase," Department of Pediatrics, University of Oklahoma Health Sciences Center, Oklahoma City (May 1993).
- "Developmental and Behavioral Pediatrics," 13th Annual Meeting of the Society of Behavioral Medicine, New York City (March 1992).
- "Psychosocial issues related to use of a cochlear implant," 4th Symposium on Cochlear Implants in Children, sponsored by the National Institute on Deafness and other Communication Disorders, Kansas City (February 1992).
- "Peer Loss in the Classroom", 28th Annual Paul Munger Summer Conference, Department of Educational Psychology, Indiana University (June 1991).
- "Psychological and educational issues: How do cochlear implants fit into the big picture?" 3rd Symposium on Cochlear Implants in Children, Indiana University School of Medicine (January 1990).
- "Does communication mode and level of hearing loss influence parental adaptation?" Department of Speech and Hearing Sciences, Indiana University (November 1988).
- "Models of adaptation to stress: The role of chronicity," Department of Psychology, Indiana University-Purdue University at Indianapolis (November 1988).

Papers & Posters Presented at Professional Meetings

- Alpern, A. N., McLean, K. A., **Quittner, A. L.** (2011, November). Coping efficacy moderates disease severity and health-related quality of life in adolescents with CF. Poster accepted for presentation at the 25th Annual North American Cystic Fibrosis Conference, Anaheim, California.
- Marciel, K.K., Hernandez, C., Kimberg, C.I., Zhang, Z., Riekert, K., & **Quittner, A.L.** (2011, November). Developmental differences in health-related quality of life and associations between treatments and patient burden in the I Change Adherence and Raise Expectations (iCARE) study. Poster accepted for presentation at the 25th Annual North American Cystic Fibrosis Conference, Anaheim, CA.
- Blackwell, L.S., Marciel, K.K., Romero, C.V., & **Quittner, A.L.** (2011, November). Pain assessment in children and adolescents with cystic fibrosis: Utilizing an online pain diary. Poster accepted for presentation at the 25th Annual North American Cystic Fibrosis Conference, Anaheim, CA.
- Quittner, A.L.**, Marciel, K.K., & Kimberg, C.I. (2011, November). Content validity of the Cystic Fibrosis Questionnaire-Revised (CFQ-R). Poster accepted for presentation at the 25th Annual North American Cystic Fibrosis Conference, Anaheim, CA.
