

**University of Miami**  
**Coral Gables, Florida**  
Curriculum Vitae

**Personal**

Date 9/30/10

Name: A. Rodney Wellens

Address: 9101 SW 144 St.  
Miami, FL 33176

Phone: (305) 233-0910 (Home)  
(305) 284-2814 (UM Office)

Email: [rwellens@miami.edu](mailto:rwellens@miami.edu)

Status: Full-time  Part-time

Current Rank: Professor

Citizenship: USA

Tenure:  yes  no

**Education**

Institution:	Degree and Date Conferred:		
Vanderbilt University	Ph.D.	1972	Exp. Social Psychology
Vanderbilt University	M.S.	1970	Exp. Social Psychology
University of Miami	A.B.	1968	Psychology
Miami-Dade College	A.A.	1966	Biology

Non-Institutional Training/Experience:

NASA/ASEE Faculty Fellow	Stanford University	Summer, 1983
USAF/UES Faculty Fellow	Armstrong Aerospace Medical Research Laboratory	Summer, 1986

## **Experience**

Professional:

University of Miami	Vice-Dean, College of A&S, Social & Behavioral Sciences	2004-2006
	Senior Associate Dean, College of A&S Social & Behavioral Sciences	2003-2004
	Chairman, Dept of Psychology	1992-present
	Associate Chairman, Dept of Psychology	1989-1992
		1982-1987
	Professor	1988-present
	Associate Professor	1979-1988
	Assistant Professor	1972-1979
USAF/AAMRL, OH	Visiting Scientist	1987-1989
VA Hospital, Miami	Research Psychologist (WOC)	1977-1978

## **Publications**

Papers, chapters, books:

- McCabe, P., Schneiderman, N., Field, T., & Wellens, R. (eds.) (2000). *Stress, Coping and Cardiovascular Disease*. Lawrence Erlbaum Associates.

- Church, M. A., Wellens, A. R., Truss, C. V. Quantitative balance theory and the generalization of attitude effect. Paper presented at the 21st Annual Meeting of the Southeastern Psychological Association, Atlanta, 1975.
- Faletti, M. V., & Wellens, A. R. Judgemental responses to manipulations of visual and auditory density in physical environments. Presented at the 22nd Annual Meeting of the Southeastern Psychological Association, New Orleans, 1976.

- Goldberg, M. L., & Wellens, A. R. An examination of interpersonal affiliation dynamics within television mediated and direct face-to-face encounters. Paper presented to the 23rd Annual Meeting of the southeastern Psychological Association, Hollywood, Florida, 1977.
- Janik, S. W., Goldberg, M. L., & Wellens, A. R. Loci of focus in the visual scanning of faces. Paper presented at the 43rd Annual Meeting of the Florida Academy of Sciences, Miami, 1979.
- Janik, S. W., Goldberg, M. L., & Wellens, A. R. Cardiovascular responses to shifts in nonverbal behavior mediated through interactive television. Presented at the 26th Annual Meeting of the Southeastern Psychological Association, Washington, 1980.
- Lickiss, K. P., & Wellens, A. R. Observer and self directed hand gestures in relation to verbal fluency and observer perception. Presented at the 29th Annual Meeting of the Florida Psychological Association, Clearwater, Florida, 1976.

### **Funded Projects**

- NIGMS/APA**, "Developing minority biomedical research talent in psychology," 1997-2000, 2000-2002, 2004-2006, no cost extension 2007-10 (subcontract).
- AFOSR/URRP**, "Extending a psychological distancing model to assess multi-person and person-machine distributed decision making," 1988-1989.
- AFOSR/URRP**, "Expanding electronic team technologies to assess multi-person and person-machine distributed decision making," 1987-1988.
- USAF Grant**, "Effects of telecommunication media upon group decision making processes within a multi-team situation assessment task," 1986-1987.
- USAF/UES** Summer Faculty Research Project, "Multimodal information exchange for individual and group problem solving," 1986.
- UM Research Council** Summer Award in Business and the Social Sciences, "Development of a psychological distancing paradigm to assess interpersonal telecommunication dynamics," 1985.
- NASA/ASEE** Summer Faculty Fellowship, "Autonomy and the human element in space," 1984.
- Veterans Administration Hospital**, "An experimental analysis of human looking patterns," 1977-78.
- NIH Biomedical Research Support Grant**, "The effects of perceived interpersonal distance upon users of interactive television," 1976-78.
- NIH Biomedical Research Support Grant**, "Quantitative balance theory and the prediction of interpersonal attraction in dyads," 1972-74.

## **Professional and Honorary Organizations**

### Professional Organizations:

Member, American Association for the Advancement of Science	1977-present
Member, American Psychological Association ( Divisions 8 & 21)	1973-present
Member, Association for Psychological Science	1988-present
Member, Human Factors and Ergonomics Society	1990-present
Member, Southeastern Psychological Association	1972-present
Member, Society of Experimental Social Psychology (Fellow, 2009)	1981-present

## **Professional and Honorary Organizations (continued)**

Member, Area Heads Departments of Psychology	1999-present
Member, Council of Graduate Departments of Psychology	1992-present
Executive Board, Council of Graduate Departments of Psychology (Treasurer 2007-2010, Webmaster and Corporate Representative, 2008-present)	2007-present

### Honors and Awards:

MUSE Award, Department of Psychology, 2010  
APA Departmental Award for Culture of Service in the  
Psychological Sciences (Department-wide award), 2008  
Leadership/Student Development Recognition Award, UM Psychology Grad  
Student Association, 1999  
USAF/AFOSR Visiting Scientist, Aerospace Medical Research Lab, 1987-89  
USAF/UES Fellow, Armstrong Aerospace Medical Research Lab, 1986  
NASA/ASEE Fellow, Stanford University, 1983  
Special Graduate School Scholarship, Vanderbilt University, 1971  
USPHS General-Experimental Traineeship, Vanderbilt University, 1969-70  
A.B., *magna cum laude*, University of Miami, 1968  
Honoraries: Phi Theta Kappa, Delta Theta Mu, Phi Kappa Phi

## **Teaching**

### Primary courses:

PSY201 Social Psychology: Psychological Perspectives  
PSY625 Social Psychology (Graduate Core Course)

### Other courses:

PSY333 Attitudes and Persuasion  
PSY475 Social Interaction Processes  
PSY698 Seminar in Social Psychology

## **Service**

### University and Administrative Responsibilities:

Chairman, Department of Psychology	1992-present
Vice Dean, College of Arts and Sciences	2004-06
Senior Associate Dean, College of Arts and Sciences	2003-04
Member, Productivity in Administrative and Support Areas Task Force	1990-91
Member, Graduate School Subcommittee on Graduate Faculty	1990-91

Member, Budget and Compensation Review Committee, College of Arts and Sciences	1990-91
Chairman, Budget and Compensation Review Committee, College of Arts and Sciences	1982-86
Member, Research Council Subcommittee on Fellowships	1985-87
Member, NIH Biomedical Research Support Grant Committee	1977-78, 86-87
Chairman, Undergraduate Committee, Department of Psychology	1974-75
Chairman, Research Committee, Department of Psychology	1975-76
Member, Committee to Study Degree Requirements	1976-77
Faculty Senate Representative	1979-80, 82-83
