ONLINE PARENT TRAINING FOR DISRUPTIVE BEHAVIORS AUTISM CAREGIVER TRAINING

This 6-week program, led by Board Certified Behavior Analyst (BCBA), will help parents learn how to decrease your child's disruptive behaviors and increase pro-social behaviors and adaptive skills. You will learn how to identify the causes of your child's challenging behaviors and teach them appropriate replacement skills. Become your child's own behavior therapist! All from the comfort of your home with Zoom for Healthcare, a HIPAA compliant video conferencing software.

Includes:

- Weekly Pre-recorded Webinars
- Weekly Individual Sessions
